

2014/05/09

Dear OBS business partner,

PLANNED WORK ON MESH CERTIFICATE: DEPLOYMENT OF RENEWED MESH CERTIFICATE ON PRODUCTION

Date: 13 May 2014

Time: 23h01 p.m. - 05h01 a.m.

Technical Description

- The Renewed certificate for MESH will be deployed on PRD on **13 May 2014**. Should you encounter MESH issues after this deployment or should you have hardcoded the certificate, please download the certificate on this URL: <https://mesh.vodacom.co.za:6001>
- All MESH transactions will be impacted

Please ensure that all parties within your organisation are aware of this communiqué.

Should you have any queries related to the above, please refer to the attached WASP Fault Reporting and Escalation Procedure.

Kind Regards
Commercial Support
